- Dialogue Platform
- Road Safety Knowledge and Data
- Capacity Building and Training
- Road Safety Management
- Good practices

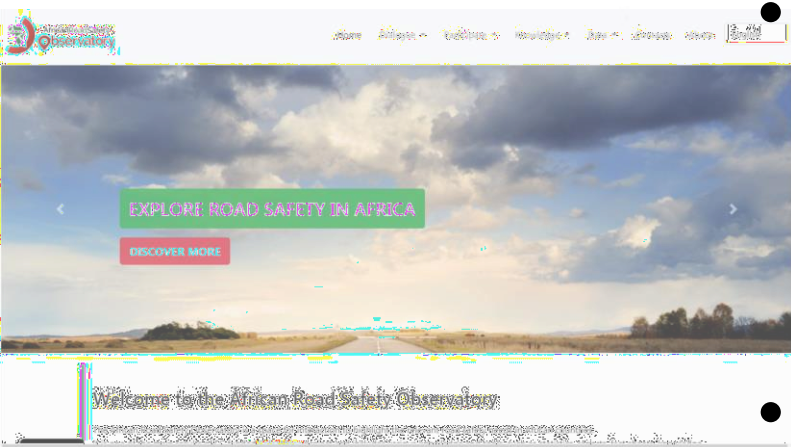

[Welcome to SaferAfrica](#)

[Upcoming Events](#)

# WHAT ARE THE MAJOR ACHIEVEMENTS?

# SaferAfrica Road Safety Observatory

[www.africanroadsafetyobservatory.org](http://www.africanroadsafetyobservatory.org)

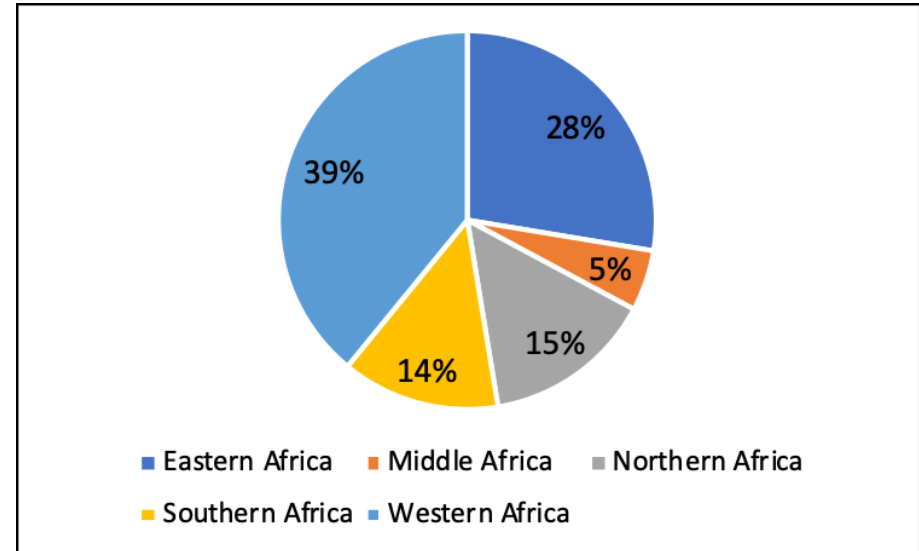

- A **participative web portal** where African stakeholders can find specialized information on road safety, such as: country factsheets, capacity review reports, good practices, webinars.
- It will now become the knowledge hub and portal of the Africa Regional Road Safety Observatory (ARSO) managed by the African Union

# Community of road safety professionals EU-Africa

- ✓ High share from governments/institutions
- ✓ **Dialogue platform Web tool** available
- ✓ Generally, **positive/constructive** approach about SaferAfrica recommendations

Involved stakeholders	192
-----------------------	-----

Involved countries	40
--------------------	----

# Road safety projects

- 5 Road Safety Management **Capacity Reviews** have been undertaken in 5 African Countries (Burkina Faso, Cameroon, Kenya, South Africa and Tunisia)
- Specific proposals remedial and sustainable actions were discussed within workshops.
- Detailed **short-term improvement plans** in the form of Terms of Reference for several projects per selected country
- Recommendations and most promising improvement opportunities for **road design standards** and **standards for vehicles'** production, import and inspection standards

# Capacity building

- A complete **road safety e-learning course** with more than **800** minutes distributed in **36** lessons freely available on the African RSO
- A **Train The Trainer manual** to support lecturers who wish to incorporate a course on road safety into the curriculum of another educational program.
- A **Twinning project** between the *Research Centre for Transport and Logistics of Sapienza University* (Italy) and the *Ecole Nationale Supérieure de Travaux Publics* (Cameroon) was set up from February to June 2019 to facilitate and to improve the academic, scientific and research activities in Cameroon.

# SaferAfrica Final conference

Tunis 18/09/2019
