

ARSO webinar on road safety performance indicators (SPIs) on 14 July 2025

Registration is open!

The Secretariat of the African Road Safety Observatory is organising a webinar on SPIs on 14 July 2025. It will start at 14:00 EAT and last for 2 hours. The event brings together national road safety coordinators, members of regional observatories, policymakers, and technical experts to explore the added value of SPIs, the use of appropriate methodologies, and good practices from Africa and other world regions. Speakers include representatives of AUC, ARSO, AFD, UNECA, WHO, Regional observatories across the world and road safety experts from African Union Member States.

The webinar aims to enhance mutual learning, encourage regional alignment, and stimulate future capacity-building activities related to SPI development and use. The programme is as follows:
